2.1.3. top up the Account for an amount of at least EUR 1,000 or equivalent in another available currency during the Period of Campaign, inclusively, to activate the Promo Code(s).

2.1.3.1. The top-up of the Account for an amount of at least EUR 50,000 (or equivalent in another currency) entitles the Client to activate the Promo Code WELCOME50, the Promo Code WELCOME20, the Promo Code WELCOME5, and the Promo Code WELCOME1.

2.1.3.2. The top-up of the Account for an amount of at least EUR 20,000 but less than EUR 50,000 (or equivalent in another currency) entitles the Client to activate the Promo Code WELCOME20, the Promo Code WELCOME5, and the Promo Code WELCOME1.

2.1.3.3. The top-up of the Account for an amount of at least EUR 5,000 but less than EUR 20,000 (or equivalent in another currency) entitles the Client to activate the Promo Code WELCOME5 and the Promo Code WELCOME1.

2.2.1. The Client who topped up the Account under these Terms shall enter the Promo Code in the “Enter the promo code” field. You can find this field on Freedom24 platform:

- a) for the web version - under your Account’s Section - “Profile”
- b) for the mobile version – under your Account’s Section “Menu”, subsection “Bonuses”.

As a result, you will receive the specified number of Coupons for Gift Shares (randomly selected by the Company as per clause 2.6. below). The random selection will occur on the Promo Code's activation date.

2.3. Each Promo Code can be used only once.

2.4. Withdrawal of the funds from the Account and their subsequent crediting to the Account shall not be treated as top-up of the Account for this Campaign.

2.5. If the Client has topped up the Account by bank transfer, the Promo Code can be used only when the funds are credited to the Account. When topping up by card, the money is received immediately, and the Client can enter the Promo Code immediately.

2.6. Following this link, you can find a list of Gift Shares that the Company will use for the random selection to credit your Account as a Participant of this Campaign (clause 2.8): <https://freedom24.com/gift-stocks-list>.

Gift Shares are allocated through an automated random selection mechanism from a predefined list of eligible securities. The allocation process incorporates internal weighting parameters and operational criteria, including the value of the securities, which determine the relative probability of receiving particular shares. Accordingly, higher-value securities are allocated with a lower probability than lower-value securities.

2.7. Since the Gift Shares are randomly selected, the Participant may receive different Gift Shares from the list above. The Participant shall receive only one Gift Share randomly chosen by the Company (clause 2.6. above) per Coupon.

2.8. The Coupons are credited to the Participant's Account upon activating the Promo Code. Upon opening the Coupon, the Gift Share is credited to the Account.

2.9. When the Gift Share is credited to the Account, the Client has the right to dispose it at his discretion.

2.10. The price of the Gift Share shall be determined as of the date the Gift Share is credited to the Account.

2.11. Claims to the Gift Shares are non-transferable. Payments in cash are not possible.

2.12. All duties, additional expenses (if any), and taxes whatsoever connected with the ownership and disposal of the Gift Share shall be paid by the Client additionally.

OTHER PROVISIONS

3.1. The Offer under the Campaign shall be public to all Company's Clients eligible to participate in the Campaign.

3.2. The Company warns the Participants that during the Period of Campaign, systemic risks may arise (hardware failures, software failures, security, problems with communication, power supply, and other reasons of a technical nature). In the event of such risks, the Company shall take all possible measures to their elimination; however, it shall not be liable for the consequences resulting from such risks.

3.3. The Company reserves the right to prematurely end or extend the Period of Campaign at any time without prior notice and without having to cite our reasons for doing so. This applies in particular if the Campaign cannot be executed properly due to technical or legal reasons. Participants shall not be entitled to any recourse against the Company in such a case. Participants shall not be entitled to hold the Company liable for any lack of commercial success, lost profits or indirect damages.

3.4. The Company reserves the right to exclude Participants from the Campaign for a good cause, as well as to claim back the Gift Share, in particular, if there is any reasonable suspicion or evidence of the provision of false data, manipulation, breach of these Terms or any other unauthorized acts.

Legal recourse is excluded.
