¹ Commission for trades in securities where the trade and settlement currency differs from the default currency of the Client's price plan is charged in the trade currency. Such commission is converted after it is debited, based on the default currency of the Client's price plan.

² Promotional tariff available to the Clients who are natural persons residing in or being citizens of France, Italy, Romania, or the Czech Republic, subject to KYC/AML verification, who opened an account with the Company from 1 March 2026 up to and including 31 August 2026, as confirmed by the relevant account opening Confirmation. The tariff cannot be selected by the Client and is assigned by the Company for a period of 365 days from the account opening date, or until the Client will exceed 240 executed trades in shares and ETFs, whichever occurs first. Upon expiry of the applicable period or reaching the trades limit, the Client will be automatically transferred to the default All Inclusive in USD tariff plan. The Client may at any time independently switch from Promo in EUR plan to any other publicly available tariff plan in the Company's Electronic System by submitting the relevant instruction via Electronic Trading Platform.

³ The Exclusive tariff plan is available to the Client only upon the Client's request submitted via an authorized support ticket in the Client's personal account, including confirmation by OTP / active security session, where applicable. Such request, once stored in the Client's personal account, shall constitute the Client's explicit consent to switch to and use the Exclusive tariff plan. The Exclusive tariff plan shall become available to the Client within T+1 after receipt and processing of such authorized request. The Client may at any time independently switch from the Exclusive tariff plan to any other publicly available tariff plan in the Company's Electronic System by submitting the relevant instruction via Electronic Trading Platform.
